

**Liga Portugal** considers it essential to maintain the implementation of the Quality Management System and the Information Security Management System, in accordance with the reference standards **NP EN ISO 9001:2015** and **NP ISO/IEC 27001:2013** respectively, with the aim of ensuring the excellence of the organisation.

In order to achieve the recommended objectives, we propose to abide by the following guidelines:

- Promote the defence of the common interests of the members and the handling of matters inherent to the organisation and practice of professional football and its competitions.
- Develop a collaborative relationship with all stakeholders, in particular with our members and sponsors.
- Identify and assess information risks in accordance with established criteria, by implementing mitigating measures for the risks deemed unacceptable.
- Proactively involve employees, suppliers and service providers in the improvement of the Management System performance.
- Ensure confidentiality, availability and integrity of the information considered relevant by LIGA PORTUGAL.
- Foster a work environment that motivates and values all employees and partners.
- Promote awareness among all employees in the field of Quality and Information Security.

We commit to meet the requirements of our associates, regulations, statutes and others applicable to the organisation, providing the necessary resources for the development of the effectiveness and efficiency of the fundamental procedures for continuous improvement, based, whenever possible, on a technological basis.

**Liga Portugal** expects from all employees and partners a total commitment to the continuous fulfilment of our associates, providing all the necessary support, in order to guarantee an environment of growth and trust.
